Dear Mr. Wasil,

You contacted the Northern Marianas Protection & Advocacy Systems, Inc. (NMPASI) for assistance in investigating a possible case of disability-based related discrimination by the Office of Aging, regarding the denial of homebound services. After further investigation by our advocates, we found that you do no currently meet the Office of Aging's eligibility requirements for these services, which include being homebound and at least 60 years of age. Based on this, we determined that the denial was not due to disability discrimination.

We are now closing your file. If you disagree with our decision to close your file, please kindly refer to the attached **Grievance procedure** that details the necessary steps in filing an appeal of NMPASI decision of closing your case.

Thank you for giving us the opportunity to assist you with this matter, if you have any questions or require any further assistance, please do not hesitate to contact us.

Sincerely,

Cleo Nening
Programs Coordinator
